

## PINOT NOIR ROSÉ 2020

Here in Marlborough, classic Rapaura gravels absorb the sun's warmth during the day, radiating back onto the grapes by moonlight, to create the highly aromatic flavours for which Marlborough is so highly reputed.

### WINEMAKER'S REMARKS

This wine is bright light salmon colour with a charming and vivacious nose of red apples, berry fruits, watermelon and spices, leading into a mouth filling, smooth palate. The finish is fresh, clean and dry. Opawa Rosé is a dry wine that is a perfect aperitif or accompaniment to fresh summer cuisine.

### VITICULTURE & WINEMAKING

Opawa Rosé is made from Pinot Noir grapes grown on selected stony sites in close proximity to the winery. The handpicked fruit is gently de-stemmed and left to soak on skins for a short period of time to release the colour before fermenting in stainless steel tanks. The wine was bottled at the beginning of July 2020.
